WARNING: READ BEFORE USING YOUR PLAYSTATION®3 GAME CONSOLE.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing videogames, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following while playing a video game — seizures, blurred vision, eye muscle twitching, loss of awareness, disorientation, any involuntary movement, or convulsions — STOP! IMMEDIATELY! If you experience any of these symptoms, stop playing the game and consult your physician before resuming play.

USE OF UNOFFICIAL PRODUCTS

The use of unofficial products and peripherals may damage your PlayStation game console and invalidate your console warranty.

WARNING: IN JAPAN, OF PROJECTION TELEVISIONS

Do not connect your PlayStation game console to a projector TV without first consulting the user manual for your projector TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

WARNING: YOUR PLAYSTATION DISC

- The compact disc is intended for use only with the PlayStation game console.
- Do not bend it, push it, or damage it in liquids.
- Do not leave it in direct sunlight or near a heater or other source of heat.
- Be sure to make an occasional wipe-down during extended play.
- Keep the compact disc clean. Always hold the disc by the edge and keep it in its protective case when not in use.
- Clean the disc with a soft, dry cloth, wiping in straight lines from the outer edge. Never use solvents or abrasive cleaners.

PlayStation Setup

Set up your PlayStation game console according to the instructions in its Instruction Manual. Make sure the power is OFF before inserting or removing a compact disc. Insert the NCAA GameBreaker 2001 disc and close the disc cover. Insert game controllers and turn ON the PlayStation game console. Follow on-screen instructions to start a game.

Controller Diagrams

Memory Card/Saving Data

You must insert your MEMORY CARD before you save or load a file. NCAA GameBreaker 2001 saves user-defined options and all data for a Season, Tournament, Roster Change, Created Player, or Custom Playbook. Save/Replace will also appear after Creating a Player or after a Play has been created. You must save at this screen to save all Roster, Created Player, or Playbook data. Four blocks of memory must be available on your MEMORY CARD in order to save a game file. Only one block of memory is needed to save a settings file. If you don't have a MEMORY CARD, all NCAA GameBreaker 2001 data will be lost when you turn off your PlayStation game console.

Pregame Setup

ATHLETIC DEPT

Use the Athletic Dept menu to view and manage team rosters.

VIEW ROSTERS

View the player rosters of each college team. Rosters will show the physical attributes and skill ratings of each player by rating each stat based on a scale of 1-100.

- Press the Right/Left Directional Button to choose a team roster.
- Press the Up/Down Directional Button to view the entire roster and player ratings.
- Press  and  to cycle through other skill categories.

BLUE CHIP RECRUITING

Recruit the nation's top blue chip incoming freshmen and junior college transfers. At the end of a Season, your blue chips may be selected to the All-Freshmen team.

GO RECRUITING

- Press the Right/Left Directional Button to select a blue chip team or press START to have the CPU randomly select a team for you. Be sure to review your team's roster to see what kind of players your team needs.
- Press the Up/Down Directional Button to choose a Playbook. Selecting the type of Playbook your team will be using will help determine the type of quarterback you'll be recruiting. Choose a Passing or Balanced Playbook to recruit a classic drop back passing QB. Choose a Running Playbook to recruit a dynamic option QB.
- Press  to continue.

OFFICIAL VISITS

From this screen you'll choose one of five recruits from nine positions.

- Press the Up/Down Directional Button to select a blue chip recruit. Fresh indicates a college true freshman. Junior indicates a junior college transfer.
- Press  to check a recruit and invite him on an official visit. If a school is highlighted in blue under school preferences, the recruit has given that school a verbal commitment. Flashing numbers indicate a gamebreaker. The higher a blue chip's overall attribute, the more national attention he'll attract.
- Press  to continue and repeat the previous steps to invite all nine recruits to your school.

LETTER OF INTENT DAY

On Letter of Intent Day, you'll know which recruits have chosen your school. The list of players will be shown on the screen.

- Press the Right/Left Directional Button to view the recruits that other colleges have landed. Each blue chip signing with your school will be automatically placed on the roster depth chart and issued a jersey number.
- Press  to keep the current recruiting class or  to discard and go recruiting again.

CREATE WALK-ON

Create Walk-On allows you to be creative in building the perfect football machine. Or for fun, create yourself using your own physical attributes.

- Press the Up/Down Directional Button to a player attribute, then the Left/Right Directional Button to raise/lower the attribute selection. Notice that the player ratings at the bottom of the screen adjust as you alter the player attributes, retaining the characteristics of a complete player. Press and hold L2 + the Right/Left Directional Button to move the attribute slider more rapidly. Press R1 + R2 to reset all slider settings.
- Press  to continue to the Place Walk-On screen.

PLACE WALK-ON

Choose a walk-on and place him on your team.

- Press the Up/Down Directional Button to select the team option, then the Left/Right Directional Button to choose a team.
- Press the Up/Down Directional Button to select the jersey number, then the Left/Right Directional Button to choose a number.
- Press the Up/Down Directional Button to select the walk-on, then the Left/Right Directional Button to select a player position. Determine your walk-on's position by the NCAA Prospects listing. If the prospects are an option quarterback or a halfback, select one of those two choices for your player's position.
- Press  to continue.
- Press the Up/Down Directional Button to choose a player to replace and press .
- Press  to replace the player.

EDIT SCHEDULE

Switch a game on the schedule to a different date or give your team a breather from the college grind by creating a BYE on the schedule where it didn't exist before. You can also change the opponent of a scheduled game or simply change a game from Away to Home and give your team an advantage in an important matchup.

- Press the Right/Left Directional Button to choose a team schedule.
- Press the Up/Down Directional Button to choose a game on the schedule.
- Press the Right/Left Directional Button to change opponents.
- To change the location of the game to Home or Away, press .
- To change the week to a BYE week, press .
- To choose a random opponent for a game, press . Pressing L2 +  will choose random opponents for the entire schedule.
- Press  when done.

LOAD/SAVE TEAMS

After you have created players and/or altered rosters, save teams to the MEMORY CARD. You can also load a previously saved team. A team cannot be loaded after a Season has been started. If you attempt to load a previously saved Bowl Season or Tournament, your current Bowl Season or Tournament will be canceled.

NOTE: Before altering files, select a MEMORY CARD slot by using the Directional Buttons to select MEMORY CARD slot 1 or MEMORY CARD slot 2 and pressing .

To save a team/settings/seniors:

- Press the Directional Buttons to select Save Team and press .
- Press the Right/Left Directional Button to select a team and press .
- Enter a custom name for the file by pressing the Up/Down Directional Button to choose a character and Left/Right to move spaces.

To load a team, it must have already been saved to the MEMORY CARD:

- Press the Directional Buttons to select Load Team and press .
- Press the Up/Down Directional Button to select a team to load and press .

To delete a file from the MEMORY CARD:

- Press the Directional Buttons to select Delete and press .
- Press the Up/Down Directional Button to choose a file to delete and press .
- Press the Directional Button to select YES and press  to delete the file or press  to cancel.
